

LETTER FROM THE PRESIDENT

TAHIMA is excited to start the new decade with a dynamic speaker Deanna Davis, PhD. This seminar is scheduled for 9:00 a.m. on January 30th.

We are hoping she will provide an exciting and positive start to 2010.

We understand the economic troubles that most of us are facing in this difficult time.

With the spirit of the New Year, we are offering 2 free CE's with the cost of a 2010 membership for our first workshop.

(Of note our membership fees remain the same at \$20.00)

Please contact us with your suggestions for speakers and seminars. We would welcome your input, simply send us an email at info@tahima.org

Finally, visit our website at www.tahima.org for future workshops, updates, and job postings.

We are excited about all of the upcoming changes in Health Information and we aspire to be a source of education.

Sincerely,

Alicia R. Hadash, RHIT

TAHIMA President 2010
